PRIME HOGGS - 1549

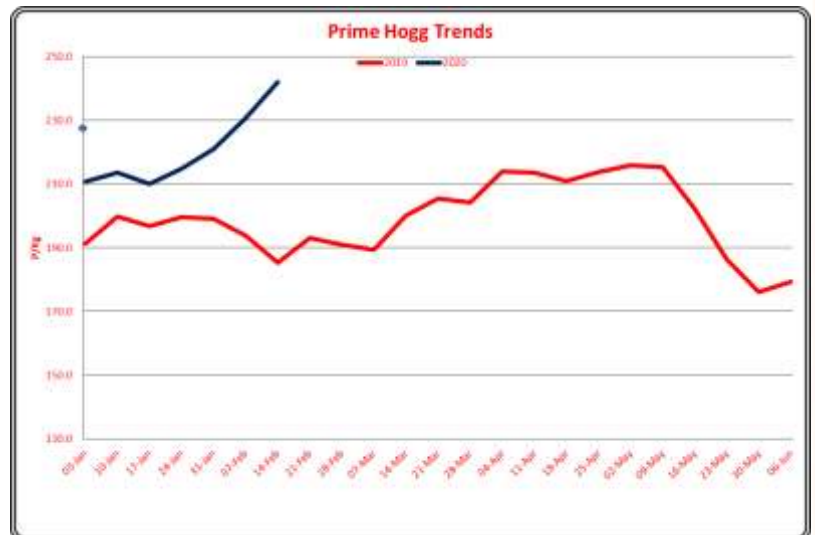

Auctioneer - Matthew Nicholls

A fantastic trade especially considering the number of leaner hogs forward. All those quality types were 250p/kg, in fact the top 20 recorded prices were all over 251p/kg up to 269p/kg for 38.5kg hogs from M/s Price, Sheephouse that soared to £103.50. All weights in excellent demand and many more could have easily been sold especially the quality types. The heavy weights were a serious demand, with those 50kg plus hogs all over £120/head up to £124/head for a pen fo 63kg from M/s Stephens, The Riddox. The top 20 prices all over £120/head. Every hogg sold in the market has averaged a staggering £104.40/head. An overall SQQ of 243p achieved, miles in front of any deadweight quotations!

The couple trade really came to life today, with probably some better articles on offer, several more purchasers in attendance feeling that spring can only be around the corner. Best outfits all over £200 to top at £238 for Texel full mouth ewes with double Beltex lambs. Next and from the same home at £231, a bunch of 4 Suffolk full mouth ewes with 8 lambs. A good bunch of 10 Texel x ewes with 20 lambs made £222. Several lots of various ewes with either a good single or a couple of extra lambs from £150 to £200. In all an average of £182 per head and £72.89 per life.
