## **STORE LAMBS - 6294**

*Auctioneer - Greg Christopher*

Another excellent entry of lambs and a blinding trade to match!!! The lambs simply are 'off the clock' - in fact dearer than the previous week. New customers present with lambs going to several parts of the country. Weekly numbers in Hereford a big attraction with numbers going short in many other centres.

Strongest stores over £100 topping at £101.50 for a super bunch of Suffolk x wethers from Tregare Farms. Several large bunches trading from £90 to £99.20. 45 Suffolk x lambs to £92.80 from Mr M A Lloyd with Mr S I Rogers also cashing a bunch of 50 Suffolk x lambs at £91. A large show of farming lambs with several excellent runs of lambs on offer. They are getting slightly smaller as several vendors are getting through their sheep. Farming lambs from £78 to £88 throughout the sale. Another super bunch of 104 Texels from M/s D J Howells & Co to £84.50. Smart Texels and Beltex £80 to £90, with some stronger types in the £90's. No end of bunches trading from £82 to £86 with excellent demand for the continental and Suffolk x lambs. Slightly plainer types from £76 to £80, with a good run of harder bred Suffolk x lambs to £80 and the rest of the run £75 to £78.

Fewer Mule wethers this week, the better types still £76 to £80. Welsh wethers to £77 with several Welsh lambs today, these trading from £55 to £70 depending on strength and condition with both farmers and some killing men looking for these better meated lambs.

Several medium keeping lambs, as ever these every bit as dear as the previous weeks trading from £70 to £77.50. Plenty of bunches £75 to £77.50 with trade holding throughout. Plainer and harder bred lambs £70 to £74 depending on strength.

Long term lambs again meeting a strong trade with well bred types £64 to £69.50. Plainer sorts £58 to £62, with several harder and smaller hill bred lambs - these still meeting excellent demand from £50 to £60 depending on condition. Some very small and plain types £40 to £50.

Several ram lambs included today, these topping at £99.20 for strong Suffolk x ram lambs. Texels to £94.80. Welsh Mules to £96.50 and some strong Welsh to £86.50. All the strength £80 to £92 depending on condition, several runs of farming ram lambs - these £74 to £80. Plenty of large bunches late £70's.

The in-lamb ewe trade came back down to earth this week, with more realistic but still satisfactory prices. A consignment of aged Texel ewes lambing mid-February and scanned 172% to Texels sold to £140 and again at £135 and £130.
