

RAM SALES 2022

Sales of rams through the dedicated cattle ring will start on Tuesday 26th July and there will be rams available for sale throughout the whole of August, September and October.

All rams are sold as stock getters and are correct in tooth, feet and testicles, unless stated to the contrary. All complaints must be notified to the auctioneers on the day of sale before the rams leave the market.

All rams are sold as being fertile and capable of natural service. All complaints must be notified to the auctioneers within 90 days of purchase. As a precaution we would advise that you should never rely on one ram. You should always introduce an alternative as a back up.
