## **REARING CALVES - 69**

A brilliant entry of baby calves for the time of the year! 69 baby calves forward meeting a fast and furious trade from the start to the end. Best of the bull calves climbing to a tremendous £500 three times for Limousin and Simmentals. Other top end bulls £440 to £460 and £470 and a Limousin heifer not too far behind at £420. Well bred Blue bulls reaching £390 and several from £350 to £380. Blue heifers were in strong demand with the best up to £370 and £350 others just that bit younger from £280 to £340 and smaller sorts well sold from £180 to £250. Fewer Herefords were in today but those that came were keenly bid for flying up to £340 and £330. Others just behind at £300 and £270 all from H G Robinson, Abergavenny.

Overall a tremendous day in the calf section with 8 calves over £400 and 26 calves over £300!!!

## **WEANED CALVES - 45**

Just like the baby calves the weaned section was just as fast. Racing up to £1075 for a 11 month old name sire Angus heifer. Shapey steers few and far between, a 10 month old Limousin sailing to £950, others from the same home up to £945 and £920. Any amount of dairy bred blues forward, the best of these reaching £890 and any amount of the stronger sorts 10-11 months old from £760 to £850.

Other blues just off milk in high demand from £500 to £650 depending on the potential.
