**BREEDING CATTLE**

**BREEDING CATTLE - 70**

***Auctioneer - Matthew Nicholls***

A very pleasing entry of genuine outfits which were embraced by a crowd ready and fit to do business. The general consensus was that there was a faster trade seen than at previous sales especially considering the entry forward.

A lovely entry of Limousin farming heifers from Mr O Harries were well sought after topping at £2900 and averaging £2156/head.

A regular consigner Messrs D Evans also seeing a roaring trade to average £2277/head up to £2500/head for a Blue heifer and her heifer calf.

The genuine reduction sale of Llydyadyway started the sale tremendously well with their run of Black Hereford cows topping at £2150/head for a 2018 cow with her heifer calf. Others from this stable selling to £2050, £2040, £2020 (twice), £1920 (twice) etc to average a very pleasing £1765/head.

All in all a superb trade averaging just light of £1900/head throughout.

**BREEDING BULLS - 3**

Three very respectable breeding bulls forward topping at £3500 for a pedigree Limousin from Messrs D A Thomas, Ffynon Dafolog. A superb Blue bull from Messrs T E Jones, Bailea also rocking to £3000. Trade of the day probably to an 8 year old bull from Messrs M J Williams and Piggott, The Heath that flew to £2450.
