**REARING & WEANED CALVES**

## **REARING CALVES - 57**

Another brilliant day's trading in the calf section! A shorter entry of calves meeting another flyer. Top price of £450 for a well grown Simmental x bull. Other Simmental x bulls from the same home to £415. Blue bulls from M/s J B M & M A Williams, Rowlestone flying up to £390. Other Blue bulls from Mr V J Thomas, Pancross up to £370 and £360. Other best bulls £300 to £350.

Not a massive amount of strength in the Blue heifer department, the few that were over £300. Any amount of middling Blue heifers trading from £200-£280. A nice run of Hereford calves in from Carmarthenshire - those up to £285, most of these mainly selling from £210-£240. Several Angus calves in the entry - these up to £220 for the best bulls, other smaller sorts trading £110-£190.

## **WEANED CALVES - 77**

Several late entries with 77 weanlings in in total. Topping the section was 3 tremendously well bred Charolais x bulls, 6 months old sailing to £800 with 2 slightly smaller just behind at £740. Not much strength in the heifers, these up to £645 for Hereford x heifers, others trading £450-£550. Blue steers, 4 months old trading either side of £600. On the whole a brilliant trade with something for everyone and a trade to match all budgets.
