STEERS & HEIFERS - 572

Auctioneers - Matthew Nicholls/Rory Matthews/Phil Jones

A remarkable show of store cattle to kick the October sales off to a superb start. A marvellous show of strength from some noted vendors with their seasonal entries forward.

An exceptional entry of 30 quality continental steers and heifers from E P & A L Lloyd, Middle Trewern to average a phenomenal £1626/hd for mostly home bred cattle. Their best pair of steers (700kg) flew to £1860/hd with others at £1845, £1815, £1770, £1750 etc. The heifers from the same stable topping at £1690. Another regular consignor, Messrs W R Protheroe & Son, Cwmdulais who had 40 steers and heifers forward averaged a pleasing £1410/hd that topped at £1800/hd for a 680kg Charolais steer and £1630 for a Charolais heifer.

A run of strong and quality Limousins from P J & S A Evans, Dolberthy sparked excellent demand with two separate lots at 570kg and 525kg both sailing to £1700, this run of 18 steers averaging £1515/hd.

The strength was a pleasure to sell and easily placed with another good run from Messrs W D & E J Kerr averaging £1534/hd. The steers averaged a fantastic 277p/kg which when considering the weight of cattle forward is rather exceptional.

Still plenty of demand for these first Blue heifers with a good run from D W Probert, Rowan Oak which topped at £1360 and a bunch of 3 Blue cross steers from Messrs Kerr topping at £1520/hd.

The steers and heifers averaged a very pleasing £1339.65/hd and £1150/hd respectively topping at 324p/kg for a pair of 475kg Limousins that shot to £1540/hd. The heifers topping at 334p/kg for a 17 month 430kg Charolais from G E Powell, Cwm Faerdy, who also had others at 321p/kg.

Farming cattle and yarding sorts very much the order of the day with several purchasers looking to start to fill yards. The well bred sorts very good to sell throughout the day, likewise the quality native bred. Continental steers from £1250 - £1450, with the heifers from £1200 - £1350, smart shaped butcher types very good to sell with these £1300 - £1450. Native cattle trading £1050 - £1400 although a handful of older stronger sorts £1400 plus.

Overall Averages
