Another flyer in the store lamb section! Nothing like the overall strength forward than last week but every bit as dear, in fact the overall average recorded would be £3/piece dearer. The mixed lambs made up the largest majority of the entry (2700+) and averaged £87.31/hd up to £114.50/hd for Suffolk cross lambs from Messrs F G Woodyatt & Son, Dudshill.

No shortage of customers for all types again with the dearest looking lambs being those February/March types generally trading from £75 to £85/hd. The shorter term types £95 to £110.

Smaller running Welsh lambs generally £60 to £70/hd. A very pleasing afternoon with vendors' expectations surpassed. Certainly no shortage of confidence in the store ring.

A good entry required again next week.

***Overall Average - £86.21/head***

## **BREEDING EWES - 2169**

### **Auctioneers - Matthew Nicholls & Rob Meadmore**

Still a strong entry of ewes embraced with an abundance of buyers ensuring this very strong trade. A run of pure Texel yearlings ewes from Mr D J Curran got the sale off to a superb start and topped the sale at £280/hd with this run having others making £250 (twice), £240 and £220 etc. These weren't the only ewes to break the £200 barrier, a sharp pen of Suffolk cross Mule yearlings from Messrs W E & M G Morgan, Tyngarn sailed to £212/hd who also had another pen of Texel cross Mules trading at £198/hd.

Messrs Llewellyn, Woodville also rang the bell for a pen of 2 year old Texel cross Mule ewes that flew to £200/hd, his second pen of 2's making £195/hd.

Suffolk cross yearling ewes from Top Farm trading at £192/hd, these ewes from £160 to £180 and looked a serious trade.

A run of older Cheviot ewes from Messrs J P Sevenoaks & Son generated strong interest with 3's and 4's topping at £155/hd and another pen the same at £150/hd.

To include all ages the breeding ewes averaged a fantastic £140/hd which considering the time of the season and the numbers already sold, is quite remarkable.

## **BREEDING RAMS - 237**

### **Auctioneers - Richard Hyde/Phil Jones**

A wonderful average of £531.78 up to 1020gns. Very strong demand for Suffolks, Texels, Charollais and the Texel Charollais cross.

A very good quality entry with the long term breeders getting their just rewards.
