REARING CALVES - 86

Total of 86 calves with several late entries on the day. Numbers again no problem and another brilliant trade right through. Hereford proving once again it is worth travelling your calves as they were over £150 dearer than other local centres.

Heifer calves taking top spots this week with a smart Limousin at 38 days old sailing up to £360 from Chris Llwynjack, Llandovery, others from the same home £330 and £300 plus several times. Blue bulls from Mr P Davies, Carmarthenshire climbing to £310 and a Blue bull from M/s IM & J Jones, Abergorlech up to £300. Any amount of medium types in, these all a sound trade from £220 to £290, mostly Blue and Limousin.

Another run of Hereford calves well bid for with bulls reaching £280, other better end Hereford bulls all trading around £240 - £270. Heifers also well contested with the best ones just shy of £300, plenty of others £200-£260. Smaller types £100-£195. Just a few Angus in, bulls got to £290, others again around £180-£220 depending on size. Handful of Friesian bulls around - these very well bid for, best meated £100, half meated £45-£60 and plain £20-£30.

If your farm is not Farm Assured you will need to obtain a V.A.N. from your vet. Without a V.A.N. your livestock will not be eligible for export and your livestock may reduce in value because of fewer buyers. WE suggest that if you sell the following classes of livestock and are not Farm Assured you should obtain a V.A.N. :
