### STEERS & HEIFERS - 762

Auctioneers - Matthew Nicholls/ Rory Matthews  
Greg Christopher/ Phil Jones

An exceptional yard of cattle forward for the second sale in April and the trade certainly felt more spring like! It would be fair to say that there wasn't the overall strength forward as previous sales but there was certainly quality in abundance.

Some lovely runs of Charolais cattle forward with plenty of customers forward for these types. The strongest Charolais steers an epic trade soaring to £1955 for a 750kg steer from M/s P J & C M Lewis, Llandeviron who had others to £1850, £1785 and £1770. An excellent consignment to average £1766/head to also include a run of Charolais heifers.

Another exceptional entry of Charolais were provided by M/s R T Sankey & Co, Oatcroft - a vendor who topped the heifer section at £1790/head for a 590kg animal. This run of 18 Charolais steers and heifers averaging £1661/head. Plenty of demand for those stronger types.

The younger grazing cattle equally as dear with an 11 month old Limousin steer from M/s T J & E M Price, Hollow Farm topping this section at 343p/kg, a lovely run of cattle from this stable that saw their heifers topping at £1720/head for a 540kg Limousin heifer.

The younger cattle certainly the dearest in terms of p/kg with the top 20 prices all between 10 and 13 months of age and all in excess of 333p/kg across both steers and heifers.

Again M/s Price, Hollow Farm topping the heifer section at 351p/kg for an 11 month old 370kg Limousin heifer that fell at £1300/head. Across the board the sale every bit as dear as last sale with the steers and heifers averaging 297p/kg and 286p/kg or £1320/head and £1243/head respectively.

**Next store cattle sale - Thursday 2nd May 2024**

**Overall Averages**  
**Steers - £1320.97/head 296.6p/kg**  
**Heifers - £1243.49/head 286.2p/kg**
